DEMAND MORE OF YOUR BODY-AND YOUR CREATINE

MusclePharm® Creatine increases Creatine status by enhancing uptake and bioavailability. Clinically-proven Cinnulin heightens absorption, so our five pure and diverse Creatine complexes delivering a range of benefits will launch directly into muscles. MP Creatine increases explosive energy, ATP energy and overall power. For added stamina, strength and lean muscle growth, feed your body the total Creatine package.

DIRECTIONS: As a dietary supplement, mix three scoops (5g) in 8 oz juice, water, or your protein drink of choice daily. Drink immediately. To maximize results, drink 8 to 10 glasses (8 oz) of water once daily. A loading phase is not required or recommended with this product.

WARNING: A loading phase is not required or recommended with this product. Do not exceed the recommended daily dose. Consult a physician prior to use if you have any medical conditions. Do not use if you are pregnant or lactating. **KEEP OUT OF REACH OF CHILDREN.**
